Intro: 4 bars

Verse 1 (unison):

I was hopeless, I knew I was lost.
And death and darkness were my only songs.
I needed someone to come rescue me.
Then mercy heard my plea. And

Chorus:

*Lord, You found me, You healed me, You called me from the grave.
You gave me a real love. I thank You, Jesus. You washed my sins away.
And now I'm living like I'm forgiven. You came and set me free.
And that's what Your mercy did for me.*

Verse 2:

You gave me beauty for my guilty stains.
And now I'm living day to day by His grace.
So excuse me if I can't contain my praise – 'cause I know that I've been saved!

Repeat Chorus

Bridge:

*And ev'ry morning, mercy will restore me. I will proclaim.
And even if the world may fall before me. I will proclaim.
'Cause*

Repeat Chorus

*That's what Your mercy did for me. (Oh I'm so grateful for Your mercy)
That's what Your mercy did for me. (You saved me and raised me, Lord)
That's what Your mercy did for me. (I'm so thankful, Lord)
That's what Your mercy did for me. (Oh-----, yeah!)
That's what Your mercy did for me.*
